

Information on the beginning of registration for Internships

Dear All,

Information on internships, registration deadlines and rules, regulations on internship completion for first-cycle and long-cycle students were published on **24 April 2023**. You may find them on the WAPW website in the section INTERNSHIPS.

To complete a Design Internship, there are four options of choosing a studio where the internship will be completed.

1. Use the list of internships prepared in consultation with the Mazowieckie Regional Chamber of Architects, which will be published on the WAPW website in the section INTERNSHIPS, and then follow the faculty-relevant procedures.
2. Use the system of access to design studios prepared by the National Chamber of Architects; link to the system will be published on the WAPW website in the section INTERNSHIPS, then follow the faculty-relevant procedures.
3. Find a studio in Poland on one's own, and then follow the faculty-relevant procedures.
4. Find a studio abroad on one's own, and then follow the faculty-relevant procedures.

Internships for first-cycle and long-cycle students will take place during and within the 7th, winter semester.

On 17-19 May, tutors registration will be conducted in USOSweb.

On 17 May 2023 at 11.15 in the Stanisław Noakowski lecture hall, a meeting will be held to open the internships. **On 17 May, internship candidates will start applications to design studios.**
