III INTERNATIONAL SCIENTIFIC CONFERENCE

Fees should be paid by 23 May 2025 to the following account:

51 1240 2092 9522 1010 0100 0000

In the title, please indicate: Name\_Surname

For multi-author submissions (up to 5 co-authors), at least one co-author of the paper must attend the conference on-site. Additionally, each co-author is required to register for the conference to confirm their authorship of the published short paper (due to the possibility of publication).

### SUBMISSION OF A PAPER - EDITORIAL GUIDELINES

Please complete submissions in English only.

Participants are required to provide the following:

- The title of the paper (up to 150 characters).
- The paper in English (between 500 and 560 words).
- A bibliography (3 to 5 references), formatted in APA style.

Each paper may have up to five co-authors. Due to a limited number of slots in the conference program, the Scientific Committee will determine the eligibility of submitted short papers for presentation as conference speeches. Information regarding the acceptance of a paper for presentation will be provided by the organisers after reviewing the submitted applications no later than 13 May 2025.

Papers receiving a positive review from the Scientific Committee but not selected for presentation will be published in the WUT monograph by the Warsaw University of Technology Publishing House (awarded 20 points by MNiSW). A consent form for publication by the Warsaw University of Technology Publishing House will be sent to the authors at a later stage.
