

TERMS AND CONDITIONS OF USING THE ISOLATION ROOM NO. 6 (ground floor, wing of building from the side of ul. Lwowska) are valid from 1st October 2020 and have been implemented in relation to Regulation no. 104/2020 issued by the PW Rector on 30th September 2020.

1. The isolation room is accessible only for a person with symptoms suggesting communicable disease (temperature above 37°C, running nose, coughing, no sense of smell, etc.), as well as for medical service and health and epidemiology service.
2. No objects can be brought inside the room.
3. Use of cell phones is recommended only in emergencies.
4. The room is open during WAPW working hours and outside of those hours in case when a patient is occupying within the room until the medical procedures are completed.
5. Max. 5 persons can occupy the room at the same time.
6. People entering the room must disinfect hands using disinfectant located at the entrance to the room and wear a mask covering mouth and nose, as well as disposable gloves.
7. People entering the room should sit on indicated places while maintaining a 1.5 m (5 ft) distance.
8. Moving furniture located in the room, in particular chairs and armchairs, is absolutely forbidden.
9. You can stay in the room until medical procedures or health and epidemiology activities are concluded by services performing them or until you receive appropriate guidance from the said services.
10. The timespan between exit of one group with symptoms and entrance of another group must amount to min. 60 minutes.
11. The room will be ventilated and disinfected according to the recommendations of health and epidemiology service during the said break.
