

Dear Director,

Prix W 2025 Award: **A competition for Students and Young graduates**

For the 20th anniversary of its creation and on the occasion of the 11th edition of the PRIX W 2025, an architectural competition for students and young graduates, the Wilmotte Foundation has chosen the Montmajour Abbey as subject.

This call for projects is made possible with the support of the Ministry of Culture, the Department of Cultural Affairs – PACA of the Provence-Alpes-Côte d'Azur Region and the Centre for national monuments.

A place steeped in history and open to visitors by the Centre for national monuments, Montmajour Abbey embodies the richness of French architectural heritage. It stands as a witness to past centuries, calling today to reinterpret and reinvest spaces inaccessible to the public such as the Saint-Maur monastery and its terraces.

The best projects, selected by an international jury will receive a grant and will be exhibited in Venice at the Wilmotte Foundation Gallery during the Architecture Biennale. They will also receive a dedicated publication.

You will find all relevant information for this competition on www.prixw.com
The deadline for submitting projects is March 30, 2025.

If you would like to propose this subject as a theme during your workshops, do not hesitate to get back to us.

This is an exceptional opportunity for your school and your students to make a mark in the world of architecture. We look forward to hearing from your students. In this envelope you will find a poster and postcards for communication.

We are at your disposal for any questions.
